- **Fri., March 30**  
**End of 3rd**  
**Quarter**
- **Fri., March 30**  
**& Sat., March**  
**31 Musical**

Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

**Spelling:** In spelling, we are beginning to take our spelling tests online using Spelling City. Students can also practice their spelling words online through practice tests, learning modules, and games. The website for this is [www.spellingcity.com/ruthe123](http://www.spellingcity.com/ruthe123).

**Spanish:** Our classes have been having a great time expanding our Spanish vocabulary. Mrs. Doell has been doing a wonderful job with the 5th grade, as they learn classroom commands, Valentine sayings, and more. 3rd-4th grade has been reviewing colors and numbers. We have also started to learn the Spanish titles for various food items.

**Religion:** In religion, we've been reviewing many stories of the Old Testament prophets. We have also recently learned about Jonah and the big fish and Daniel in the lion's den, as God protects his people.

**Musical Practice:** After school musical practices have begun, so be sure to check your schedule to see if your child needs to stay after. Thanks!

**Midterms:** It's hard to believe we're already to that point, but Midterms will be going home next Thursday, a week from today.

Blessings on the rest of your week!

In Christ,  
Miss Bernau
